

In the Drawings

On pages 2-3 of the Office Action, “[t]he drawings are objected to because Applicant has provided only the amended drawing.” The Office Action further states that **“[a]ny amended replacement drawing sheet should include all of the figures appearing on the immedaite prior version of the sheet, even if only one figure is being amended”** (emphasis supplied by the Office Action). Applicant respectfully submits that FIG. 4C, which Applicant amended to comply with sequence listing guidelines, is the only figure appearing on the sheet and the sheet is labeled in the top margin as “Replacement Sheet.” Applicant is submitting herewith a copy of all of the drawing sheets, each labeled “Replacement Sheet.” Applicant notes that FIG. 4C is amended to add a sequence identifier. Applicant respectfully submits that the drawings supplied herewith comply with 37 C.F.R. § 1.121(d) and respectfully requests withdrawal of the objection.
